FAX: (978) 468-1313

Winter Parking Ban

The Chief of Police or his designee, in consultation with the Director of Public Works, shall have the authority to declare a winter storm-parking ban on all public ways. The declared winter storm-parking ban will be in effect on all Town streets until the weather emergency has been lifted. In general, a winter parking ban shall be declared when four inches, or more of snow is predicted and there will usually be a minimum 4 hours notice before enforcement begins. During an emergency parking ban there shall be NO PARKING at any time on any streets except by Fire, Police, Public Works, other Public Safety vehicles and public utility repair vehicles. Also, NO VEHICLE shall be parked or positioned in such a manner as to interfere with the snow removal or sanding operations.

Residents should take it upon themselves not to park on public ways if there is snow in the forecast.

Any vehicle in violation of this section shall be punishable by a fine of \$20.00 and may be towed at the expense of the owner. If you are unsure whether there is a winter storm-parking ban in effect you can tune your television to HWCAM or log onto hamiltonma.gov (town home page). A parking ban will also be sent as a Connect CTY message. You may also call the Hamilton/Wenham Emergency Communications Center at (978) 468-4421 to inquire if an emergency parking ban is in effect. Once a parking ban is declared, on street parking can only resume after the Chief of Police or designee has announced the end of the ban on HWCAM or the town web site.

DO NOT CALL 9-1-1
